****Passage for the Month****

Put Your Faith into Action
James 2: 26

“A priest and a Rabbi went to stadium to witness a boxing match. As they saw the boxer walk into the ring one the boxers crossed himself. And the Rabbi asked the Priest “What does it mean?” The Priest answered, it means nothing if a man cannot fight”

Apparently the same thing applies to us as Christian. One cannot become a successful Christian without applying his faith. The Greek translation for faith is “*Firm persuasion base upon hearing*” and the bible says *faith comes by hearing and by hearing the word of God*. “And Abraham was fully persuaded that God can fulfil His promise to him and it was accredited to him as a man of righteousness- Romans 4: 21

The book of James says as body without spirit is dead so also faith without work is dead- James 2: 26. Christian faith must be practical and must face realities in life. Faith is about trusting God beyond human imaginations and predictions. God expect that we move in our faith and not just being stuck at one place. It is paramount to understand that faith alone cannot guarantee result. Instead it is faith + work is that produces result.

For example you cannot believe God for job without sending out job application to potential employers. Again one cannot believe God to become engineer without going to engineering school. Faith is design by God to move us toward our achieving our dream. Your faith must push you to take a step toward something you want to achieve in life. The major problem in the Christian community is that we have the faith, we have the dream of what we want to achieve but we lack the action aspect of faith.

The action is what activates the faith. God have so many packages in store for us this year 2012 but he can only release these packages to those who put their faith into work. Is good we fast, is good we pray but if we do all these spiritual exercise without faith we are getting nowhere. Is about time to wake-up as believers and face reality.

Faith is acting on the word of God with irrespective of the circumstance. The physical circumstance may tie your legs to move forward but faith will force you to move forward toward your goal. Let not be a day dreamers but make every conscious effort to make our dream reality.

I know you have expectations for 2012 but those expectations cannot be materialised without faith + work. May the almighty God help you as you are determine to move forward in your faith, Amen.
