****Passage for the Month****

OBEDIENCE VERSES PRESSURE

Obedience can simply be defined as to hear God's word and act accordingly. In 1st Samuel 10:8, the prophet Samuel has given specific instruction to Saul to go to Gilgal and wait for seven days and he will **surely** come to offer sacrifices. It is clear from Vs 8 that Saul heard the instructions **clearly** for the Bible says he waited for seven days at Gilgal, the time set by Samuel.

In 1 Samuel 13:1-15 we see the Israelites and the Philistines gearing themselves for war. The Philistines seems to have advantages over the Israelites. Indeed Vs 5 clearly states that their soldiers were as numerous as the sand on the seashore and they also out-armed Israel. Resultantly, Saul's men became terrified and begun to leave the camp as their strength failed them on account of the enemy and with the fact that Samuel was not forth coming. Fear has hit them and many left. Saul was at Gilgal and has waited for seven just as the prophet Samuel has instructed. With Samuel delaying in coming, he **willingly** went ahead and offered the sacrifices. A duty that is not meant for him to do—as he was neither a priest nor a prophet, only a king

What caused Saul to step out of his boundaries and out of the plan of God? **Clearly** it was the pressures surrounding him.

In life we can face challenges and pressures just as Saul did: fear of uncertainty of the future and therefore, the tendency to act now even when is wrong; not able to wait for the appointed time of God; continuous feeling that everything is falling apart; the thought of the promise of God is delaying. I want to encourage you that when the pressures mount high and it seems you cannot bear, still **choose to obey God**. To obey God is to love Him and His ways; which is also the fear of the Lord. To obey God is to know the instruction and obey. Thus Samuel made sure Saul has heard the instruction **clearly**. Have you heard God clearly through his word, dreams, vision etc, then obey Him. Without obedience you cannot attain what God has planned for you. In other words your obedience to God will secure God's blessings for you; **John 14:23,1John 2:17**. Listen to what Samuel told Saul on arrival "your kingdom will not endure----**because you have not kept the lord's command**".

Beloved when your Samuel is delayed in coming, it is only a test of your faith or your love for God. In fact to be reassured of God's blessings, you will need to pass the test of faith. Abraham was tested and by faith, obeyed the instructions of God. God told him that for his obedience, He will surely bless him. **Gen 22**.

When we come to the cross road and we need to make decision, it should do based on God's will concerning us. Don't leave the Word of God whiles deciding and don't let your feelings or emotions determine your cause of action. God is not a man that he should lie. He will do it what he says it. Stick to Him and His word only.

Jesus knew the rewards given to the one that obeys the masters' command. At the times when it was difficult to bear the pain, he still chose to obey the Father. By His obedience He died that we will have life. As a result, God has given Him a name that is above every name. At the mention of His name every knee bows and every tongue confesses that He is Lord (Phl 2:9-11).

It is my desire that when we face the challenges of obeying God as against the pressures that surrounds us; we will overcome those pressures by obeying God's Word and submitting to Him. And thus, agree with the Psalmist in saying: I overcame him; I overcame him, By the blood, by the blood, By the blood of the lamb.

Amen
