****Passage for the Month****

How Prepared Are You (Matthew 24)

In Matthew 24, the disciples admiration of the great Temple building lead Jesus to astonishing prediction of its utter destruction and the prediction of future natural disaster as the sign of the end time. Jesus said to His disciples all these horrendous events shall take place yet the end won't follow immediately. So what is the essence of the signs predicted by Jesus? The signs are opportunity for the saints to cloth themselves with righteousness waiting for His glorious return unexpectedly.

Let now make some analysis to validate the predictions of Jesus in the above chapter.

Recent Natural Disasters

Floods

Australia- Queensland Flood: Significant flooding occurred in many areas of Queensland during the late December 2010 and early January 2011, with three quarters of the state declared a disaster zone. This was one of the greatest natural disaster ever happened in the country's history. Many lives were lost while most survivors were left without hope.

Brazil Flood- Rio de Janeiro: In January 14 2011, a natural flood disaster took place in Brazil which destroyed many town, cities and villages in the country. There were so many casualties in many cities. The flood caused at least 903 deaths. This was the worst weather natural disaster in the Brazilian history.

Sri-Lanka- This was the worst flood in the country's history In 2011 which destroyed several homes and left about 4000.00 children without food. Many lives were lost also.

Japan- Tsunami Flood: This was the event that made the world headline in the flood history 2011. Uncountable lives were lost.

Wars/Deaths

Egypt, Tunisia, Libya, Yemen, Jordan, Syria, and etc... Political power is causing war and deaths in these zones.

Earthquakes

What about earthquakes in Japan, New Zealand and other part of the world? Jesus predicted all these to happen and indeed it is happening. All the above proves Jesus' prediction right.

Now the question is how prepared are you for the Lord's second coming? This is a question every individual must answer for themselves. There is enough evidence in our world today indicating clearly that we are gradually approaching the end of the world but how ready are you to meet our Lord with His glorious Angels?

'Let a man work out his own salvation with fear and trembling'- Philippians 2: 12. *Stay Blessed*
