## **\*\*Passage for the Month\*\***

### **God Divine Protection and Security for His Children**(Proverbs 18:10, Job 11: 18-19)

Security and protection has become global major concern in our world today. Governments across the globe innovate and implements new security measures to provide protection for their nations and its people from crime perpetrators yet all these are to no avail. In the presence of these entire securities, crime rate continue to increase at a very high level. We live in the world full of fear, demonic activities, full of crime and violence. The entire world is crying for peace, security and protection but the question is will there ever be absolute peace, security and protection in this world? The answer is no- why because the king of this world who is the devil came to steal, to kill and to destroy. The world is without hope of security and protection but on the contrary, we the Christians are with hope of security and protection in the world of chaos because of Jesus. **“The name of Jesus is the strongest tower: the righteous run into it, and there we are safe.”** These last days are full of evil and horrendous activities. The enemy is working very hard to destroy God’s people both spiritual and physical but in Job 11: 18-19 God has promise us with safety and protection.

### **The Major Problem of the world Security**

The world is without security and protection because they have misplaced their faith in weapons, money, lesser gods and human wisdom. The bible says that in I Samuel 2: 9 **“By the flesh of the arm shall no man prevail.”** They depend on their man made equipments and the gods of this world to provide them with security neglecting God completely in their security plans. The world leaders have refused to acknowledge that security and protection only comes from the maker of heaven and earth. This is why the world and unbelievers cannot experience absolute security and protection in this world.

### **Our Hope of Security and Protection**

God is our security and a place of refuge. He has promise he will never leave us nor forsake us in this darkness world of sin. All we need is to put our trust in him. Psalm 125: 1-2 says **“They that put their trust in the Lord are like mount Zion, which cannot be removed but abides forever. Just as mountains are around Jerusalem, so also the Lord is around his children now and forever.”** Even though we live in this world but our security and protection does not come from the world. Our security is of the Lord who directs the path and the steps of the righteous in this unsecured world for protection and security. We the believers are more than conquerors because *He that is in us is more powerful than he that is in the world* (I John 4:4). *Continue on page 2*

The only way we can lose God’s security and protection is when join the world by misplacing our faith in mortal things. The fact cannot be dispute that the days are evil and the times are tough. We hear of evil news and diabolic activities in our everyday lives. But God has promise to see us through the end of the year.
