****Passage for the Month****

DARE TO BE A CHAMPION IN CHRIST

“Do you not know that those who run in a race all run, but one receives the prize? Run in such a way that you may obtain it”. 1 Corinthians 9:24 NKVJ

The scriptures encourage us not to allow the world to squeeze us into its mould. If you're going to be the person God made you to be, you need the courage to pursue God's assignment for your life. That means instead of trying hard to conform to the world, allow Christ to transform you into the kind of person He wants you to become. The key to living a happy and significant life starts with discovering the purpose of God for your life. God has a unique and individual plan for your life. He wants you to be a champion for Him in the field He has assigned you to. Isn't it amazing the number of champions we have in the world?

We have boxing champions, soccer champions, science champions, music champions, spelling champions, marketing champions, brick-laying champions, driving champions and so on and on. Life does not produce only one champion. There are many of them and there is room for you! The way to becoming a champion for God is to discover His plan and follow it wherever it may lead. But because you are human, it's easy for you to get distracted and spend your life trying too hard to please everyone else except God. Just make it your heart desire to follow and please Him, and daily ask Him to lead and guide you. You don't have to wait till your old age in order to be a champion for God. If you make yourself available, He will prepare you and use you, in other words your availability makes available God's ability! The Lord wants to use you; are you ready?
